

# Flip-Pal®

mobile scanner

Enriching Life...  
Sharing Memories...  
Anywhere...Anytime

# **Preserve and protect memories . . . share them with loved ones**

Memories and stories bind families together. How will you preserve and share yours? With the Flip-Pal® mobile scanner, no longer will your precious photos, documents and other memories be scattered, lost or hidden. Have fun and enhance your creativity, then share your memories with family and friends. Save time in the process. Take advantage of the patented flip-and-scan technology to scan photos safely while still in the album or frame.

# Mobile – Scan Images Anywhere, Anytime

- Compact, lightweight and durable
- Cordless. Not attached to a computer
- Battery powered
- Stores scans on SD memory card  
(*like the one in your digital camera*)

## Versatile – Scan Small to Large Originals

- Photos, drawings, quilts, even small objects like coins or jewelry
- Newspapers, bound books, albums and magazines
- Stitching software for larger originals

# Keep Your Memories Safe – Scan Photos in Place

- Patented flip-and-scan technology;  
Remove the lid, flip the scanner over  
and place it on the original
- See-through window for framing the original
- Safeguard important documents and  
images and store in a safe location

# Accurate – High Quality Digital Image

- ↻ High resolution retains the detail
- ↻ Colour true to original
- ↻ 600 and 300 dpi resolution settings

# Easy and Quick

- Push one button to scan in seconds
- No computer required to scan
- Just take your SD card to your computer and turn on your creativity

## Whats in the Box ?

- Scanner
- Four AA batteries
- 4 Gb memory card
